The entry fee for the class will be low. Our goal is to raise \$1500 in added money (100% payout) to draw a great pool of horses and exhibitors, honoring the late JT Thomas, an incredible horsemen who touched so many lives in the horse industry across many breeds. We are hoping to make this an annual class to go along with the East Coast Color-Rama. If we receive contributions beyond \$1500, we will hold the balance back for this same class in future years. Please help us honor JT by contributing \$100 or more to the added money. We will have a banner made listing all the contributors to display at the show, and of course contributors will be recognized on our website and Facebook page. Thank you for your consideration!
